I, the UNDERSIGNED ENTRANT, have read and understand the Show Rules and do hereby fully release and hold harmless the Mustang Club of America, the Mustang Owners Club of Austin, Cabela's, SafePlace, its respective officers, directors, agents, and employees from any and all claims and cause for action. I understand and agree that I shall be responsible for personal injuries or damages to any parties by reason of my acts or omissions. The preceding general release and agreement is given for, and in consideration of, my entry in the Mustang Owners Club of Austin, Inc. show. The UNDERSIGNED ENTRANT expressly acknowledges and agrees that because of the existence and number of vehicles and the movement of vehicles and show equipment set up throughout the show area and adjacent areas, that the activities and event can be dangerous and involve risk of serious injury and/or death and/or property damage.

2016 MOCA Round Up Show Rules

General:

All entrants are expected to comply with these rules. They are required by our host, sanctioning organization, or insurance provider. Non-compliance will be grounds for disqualification or expulsion from the show.

- No alcoholic beverages are allowed on Cabela's property.
- No careless, reckless driving or unnecessary noise by entrants.
- No obscene or suggestive artwork or lettering allowed. Signs and displays must be presented in good taste.
- An entrant needing to move a car prior to the completion of the show must have a walking escort by a show staff person.
- All tents and displays must be set up appropriately to prevent potential hazards to entrants, attendees and property. All setups are the sole responsibility of the entrant.
- Entrants must maintain his/her immediate show or display area clean of all trash during the show. The entrant is responsible for pick up and disposal of any trash in their display area prior to departing the parking lot.

Judging/Trophies:

Initial class brackets will be determined by show pre-registrations. All vehicles must be Ford Powered.

- MOCA reserves the exclusive right to update the type and number of show classes based on the final results of pre-registration and show day registrations.
- Trophy classes will be based on the final results of pre-registration and show day registration.
- Class trophies will be awarded based on the show judges' tallied results.
- MOCA will also provide for "Best Of" awards.

Classes:

Stock/Restored: Vehicles entered as Stock/Restored are allowed up to three modifications such as aftermarket wheels, replaced engines, Ford Powered only, chrome components (e.g. valve covers air cleaners etc). However, such changes must be consistent with wheel diameters/styles, fuel induction systems, and engine types typically available during those model years. For example, fuel injection, overhead cam engines and 5 speed/AOD transmissions were not offered for the 1965 through 1973 year-model Mustangs.

Relative to Stock/Restored vehicles, and to maintain judging objectivity, no additional weight will be given for highly chromed/polished engine bays, braided hoses, auxiliary instrument clusters, etc. Of key importance will be the overall general appearance/condition, use of stock components, and cleanliness (exterior/interior/engine bay/trunk) of the car. All vehicles must be Ford Powered.

No restrictions are stated for safety modifications such as radial tires, improved braking systems, auxiliary gauges, etc., or other upgrades such as audio systems, as long as such upgrades do not substantially alter the original concept and design of the car. All vehicles must be Ford Powered.

Modified: Four or more modifications from stock qualify the car for a Modified Class. This class will be included for each generation of Mustang. The entrant will be encouraged to register his/her vehicle in a Modified Class if it contains four or more modifications from stock condition. The entrant will incur penalty points for failure to abide by the modifications guidance as based on the final determination of the show judges. All vehicles must be Ford Powered.

Modified has no restrictions and will include vehicles that have been altered to appear (*generally referred to as "Faux Cars"*) as a Shelby, Roush, Steeda, or other recognized aftermarket vehicle manufacturer's product. Also included as "*Faux Cars*" are vehicles substantially modified to the extent so as to represent a manufacturer's production BOSS, GT, Cobra, or other vehicle. All vehicles must be Ford Powered.
